Hello everyone,

I hope y'all are doing well in your classes as everything gets into full swing this semester. I just wanted to touch base with everyone about upcoming trips with open spots. It seems like a lot of trips this fall are full with long waitlists, so I wanted to highlight some of the trips that do not yet have waitlists.

On that note, if you've been on a few trips before and are interested in hosting a trip, please reach out to me or any other officer, and we can help connect you to others who may be able to help you lead a trip. Hopefully, we can host a trip-leading clinic sometime this fall if there is interest.

Upcoming trips:

Wednesday - Brock Blimbing at the Bknot

- Top rope and bouldering. Beginners are encouraged to check out The Knot

This weekend - Bodacious Beginner Friendly Backpacking Bonanza at Blood Mountain

Sunday - Wauburg Day

- Sailing, kayaking, beach volleyball, and other lake activities

Monday (10/2) - Return of the Gator Mountains

- The stadium is finally back open! Come out to socialize, watch the sunset, and feel that sweet, sweet burn in your quads

Future trips with no waitlist:

(10/6 - 10/8) - Art Loeb in a Day!

- Difficult hiking trip (but well worth it) looking for drivers

(10/20 - 10/22) - Mount Mitchell Loop

- Mount Mitchell is the highest peak east of the Mississippi River, and Mount Craig is the second. Let's do both!

10/21 - James Van Fleet Trail Ride

- Out-of-town cycling day trip

Yours truly,  
Tommy
