Hi everyone,

lets continue the Suwannee adventures!

This is a continuation of Brandon's mission to paddle the entire Suwannee river. This time, we will be starting where we left off last month at the Branford boat ramp. and paddling for 2 days down to the Hart Springs boat ramp with a stop at BOBS RIVER PLACE along the way :)

The total distance is around 30 miles, so both days will be full of paddling! (I will explore other options to shorten it a little so it can be more leisurely, but this is the typical distance we've done in the past and it always works out good.

We will be using inflatable rafts as they are more comfortable and easier to transport.
