Hi everyone,

There's 25-ish miles of trail in Talladega National Forest that loops, so free camping and no shuttling! We will complete the hike over 3 days, getting in some night hiking, fall color views, and maybe even some swimming in a waterfall!?!? Drive comes in around 6 hours, so not bad! After the hike we'll stop for some nom noms somewhere. This is a beginner friendly trip, I just ask that you are physically fit and know your own limitations. Remember this is not Florida so there will be some elevation changes and will likely be coldish a night so plan accordingly

I noticed this is very similar to Christopher O's Talladega trip that is currently posted, but it is on different trails in the area and is a bit longer so should be unique and fun!

Love always/eternally/forever,
His Imperial Majesty David
